I am pleased to highlight the following CFSD student and staff achievements:

Catalina Foothills School District Named Arizona's Only All-A K-12 District

Catalina Foothills School District (CFSD) proudly stands as Arizona's only K-12 district to have every school earn an "A" rating from the Arizona Department of Education (ADE) for the 2023-2024 school year. This exceptional milestone reflects CFSD's commitment to excellence, rigorous academic standards, and the collective effort of its students, teachers, families, and community.

Additionally, CFSD is thrilled to announce that Sunrise Drive Elementary School achieved a perfect score of 100 in the total points earned in the Arizona Accountability Model. This achievement makes Sunrise Drive Elementary the only K-8 public school among Arizona's 1,368 K-8 schools to earn this distinction, underscoring the school's unwavering dedication to academic excellence and student growth.

The ADE's A-F Letter Grade system annually evaluates schools on critical performance metrics, including student growth in English language arts, math, and science; proficiency and growth of English language learners; high school graduation rates; and readiness indicators for college or careers. CFSD's achievement reflects a district-wide dedication to preparing students for success in college and beyond.

National Merit Semifinalists

We are proud to announce that seven of our seniors have been named National Merit Semifinalists in the 2025 National Merit® Scholarship Program.

In an average year, less than 1% of U.S. high school seniors are named National Merit Semifinalists. By comparison, an impressive 1.4% of CFHS seniors earned this prestigious distinction.

Congratulations to our Class of 2025 Semifinalists Joseph Drexler, Fox Foster, Sara Christina Nielsen, Nilay Patel, Carson Ruiz, Tahlia Szoke, and Bryan Zhang.

These students now have the opportunity to compete for nearly 7,000 National Merit Scholarships worth a total of \$26 million, to be awarded in the spring of 2025. To advance in the competition, our Semifinalists must fulfill several additional requirements to achieve Finalist standing. We are incredibly proud of them and wish them continued success as they move forward in this competition.

CFHS Girls Golf

The CFHS girls' golf team, coached by Robert Rathbun, qualified and competed in the Arizona Interscholastic Association (AIA) Division II State Championship. The state championship took place at Aguila Golf Club in Phoenix on Monday, October 28th and Tuesday, October 29th.

The girls had a remarkable season, coming within just one stroke of an undefeated match record. They recently secured a victory over their top Southern Arizona rivals, Salpointe Catholic and Ironwood Ridge, in a thrilling match. The team was led by Junior Sofia Strobel, who shot an outstanding 4-over-par 41.

Catalina Foothills Girls Golf Team proudly finished in seventh place at the state championships, achieving a total score of 683. Congratulations to our talented athletes for their hard work, dedication, and impressive performance on the course!

The team consists of Brienna Claw, Charisma Corkle, Sara Emslie, Emiliana Lamb, Gabrielle Matty, Olivianne Matty, Jayden Nester, Elsa Ricker, and Sofia Strobel.
