

## Seal of Arts Proficiency Awards

Congratulations to the Catalina Foothills School District (CFSD) seniors who earned the Arizona State Seal of Arts Proficiency! These students completed a rigorous, standards-based, and high-quality arts education course of study and a culminating capstone project. They also completed at least 60 hours of arts related extracurricular activities (80 hours required for 2022-2023 and beyond).

Arizona has a rich tapestry of supports for Arts Education, and the creation of the Arts Education Proficiency Seal signifies the importance the arts hold in the well-rounded academic, artistic, and social growth of Arizona students.
