Notes:

- 1 CFSD - Catalina Foothills School District
- 2 All scores reflect final scores provided by the Arizona Department of Education (ADE).
- 3 Results for 'Passing' are the sum of 'Proficient' and 'Highly Proficient'. Percentages are rounded by ADE to the nearest whole percentage.
- 4 Displayed percentages are provided to CFSD pre-rounded to the nearest whole percentage by the ADE. Percentages in the 'Passing' column are the result of combining the 'Proficient' and 'Highly Proficient' rates before rounding, then rounding to the nearest whole percent. As a result of this summation before rounding, the 'Passing' rates provided above by ADE could appear 1 percentage point off compared to summing the above pre-rounded rates for 'Proficient' and 'Highly Proficient'.
